

Woman in the World... the world of a woman

The Church...

... gives thanks for each and every woman: for mothers, for sisters, for wives;... - for all women as they have come forth from the heart of God in all the beauty and richness of their femininity; as they have been embraced by his eternal love... The Church gives thanks for all the manifestations of the feminine "genius" which have appeared in the course of history, in the midst of all peoples and nations; she gives thanks for all the charisms which the Holy Spirit distributes to women in the history of the People of God, for all the victories which she owes to their faith, hope and charity: she gives thanks for all the fruits of feminine holiness... John Paul II "Mulieris Dignitatem"
