

## INSTITUTE FOR DIACONAL STUDIES ARCHDIOCESE OF CHICAGO

### Women of Witness

THE WOMEN OF WITNESS SERIES IS DESIGNED FOR WIVES WHO ACCOMPANY THEIR HUSBANDS in the Institute for Diaconal Studies with the Archdiocese of Chicago. The series' format is a book study group. Women are asked to read, reflect, and discuss a chosen book written about a particular woman who answered God's call. It is a wonderful opportunity for the wives to gather together and share a common bond. This is a **KEY EVENT** (expectation of all wives of candidates).

Reading assignments in preparation for the series are required.
